The Board of Supervisors of the County of Black Hawk, in the State of Iowa, met in regular adjourned meeting at the Courthouse in Waterloo, County Seat of said County, and electronically via Zoom, at nine o'clock (9:00) a.m., pursuant to law, to the rules of said Board, and to adjournment. The meeting was called to order and on roll call there were present: Tavis Hall, Tom Little, Chris Schwartz, Dan Trelka and Linda Laylin, Chair.

Absent: None.

Unless otherwise noted, all actions were approved unanimously.

Moved by Schwartz, seconded by Trelka that the AGENDA be received and place on file with the County Auditor as approved. Motion carried.

PUBLIC COMMENTS. Stephanie Schulte of 6843 E. Washburn Road wanted to know why she was being required to get a "No Rise" certificate for the construction of a garage near the Cedar River when neighbors and others in flood zones don't have the same requirement. Laylin said the Board would check into it.

Hall moved the following resolution seconded by Schwartz.

BE IT HEREBY RESOLVED by the Board of Supervisors of Black Hawk County, that the Board of Supervisors APPROVE EXPENDITURES, and that the County Auditor be authorized and directed to ISSUE CHECKS, against the various settlement of such claims as allowed:

PRESENTATION – Urban County Coalition lobbyist Gary Grant reviewed the 2023 Iowa General Assembly session. He said the legislature made major changes to property tax law but didn't provide numbers on what was being contemplated until just before the legislation went to vote. He thought the property tax limitations that were passed would be more onerous for smaller counties than for the members of the coalition. He thought that proposed legislation that would put the state in charge of distribution of local option sales and services tax revenues will be passed next session, and expressed concern that based on past history the legislature may be tempted to put some of those funds to state uses rather than giving local governments authority

over them. He thought the next session would also look at changing the education levy, and noted there is sentiment to do away with state income taxes, which fund 49% of state government expenses. He thought there is some interest among legislators in listening to local government concerns about unfunded mandates.

RECEIVE PROJECT UPDATES FROM DEPARTMENT HEADS/ELECTED OFFICIALS. County Engineer Cathy Nicholas said work on the Watters Road culvert continues, and herbicide is being applied in the northwest part of the county. Human Resources Generalist Anna Knapp said that Wellmark, the county's new third-party health insurance administrator, is on site today and on July 25 to answer questions.

Moved by Schwartz, seconded by Trelka that the MINUTES of the Board Meeting held July 6, 2023 be and are hereby approved as submitted. Motion carried.

CONSENT AGENDA

Trelka moved the following RESOLUTION seconded by Hall.

CONSENT AGENDA ENDS

Schwartz moved the following resolution seconded by Hall.

BE IT HEREBY RESOLVED to amend the May 10, 2022, approval of purchase for a minibus from Hoglund Bus Company for the purchase price of \$103,728.00 to \$118,683.00 which is an increase cost of \$14,955 from the original bid price and using Federal American Recovery Plan funds, be accepted, and approved as recommended by Mike Hendrickson, Director of Conservation.

Hendrickson said the purchase has been delayed multiple times by the unavailability of vehicles, due largely to chassis production being so slow. The company offers this alternative, which doesn't have a limited slip rear differential (which wasn't in the specifications anyway), and which is available at the higher price. Trelka said waiting for the originally bid vehicle may result in yet another price increase. Hendrickson said there were two bidders and the losing bid was for over \$149,000.

AYES: Hall, Little, Schwartz, Trelka, Laylin.

NAYS: None. Resolution adopted.

Schwartz moved the following resolution seconded by Hall.

BE IT HEREBY RESOLVED the REQUEST FOR PURCHASE OF CAPITAL EQUIPMENT submitted by Catherine Nicholas, County Engineer, be approved and direct the Chair to sign for same: to purchase one (1) used 2015 Ford F550 in the amount of \$54,753.49 from Bill Colwell Ford, Hudson, IA.

Nicholas said that \$70,000 was budgeted. AYES: Hall, Little, Schwartz, Trelka, Laylin.

NAYS: None. Resolution adopted.

Trelka moved the following resolution seconded by Schwartz.

BE IT HEREBY RESOLVED to approve amended Bidding and Purchasing Requirements and Procedures, as recommended by the Policy Review Committee.

Assistant County Attorney Michael Treinen said that in addition to the amendments sent to the supervisors, he wanted to add in Section J that a public bid opening is required for projects exceeding \$100,000. The supervisors agreed. He reviewed the other changes. Schwartz said that the provisions for allowing quotes from websites or catalogues that aren't written proposals opens bidding in a way that should benefit the county.

AYES: Hall, Little, Schwartz, Trelka, Laylin.

NAYS: None. Resolution adopted.

Hall moved the following resolution seconded by Schwartz.

BE IT HEREBY RESOLVED to re-establish Community Services online application portal for FY24 for 60 days, starting August 1, 2023.

Laylin said advice from the Auditor of State that grants for local community service organizations must be for services needed by the county had resulted in a rushed process last year in which not all available funds were allocated. She said the \$18,500 remaining from FY23 could be added to the FY24 amount for a total of \$118,500. She asked how often funds should be distributed. Finance Director Michelle Weidner said no more often than quarterly. The supervisors agreed.

AYES: Hall, Little, Schwartz, Trelka, Laylin.

NAYS: None. Resolution adopted.

Moved by Hall, seconded by Schwartz that the REAPPOINTMENT of Joy Briscoe for a second term as a representative for the Black Hawk County Veteran Affairs Commission effective 7/1/2023 - 6/30/2026, be approved. Motion carried.

Discussion – review of the Draft RFP for Healthcare (Medical and Mental Health) Services for the Black Hawk County Jail. Laylin said the discussion ought to be delayed until Jail Administrator Nathan Neff is back next week, but anyone who attended this week because it was on the agenda should feel free to speak. Social Worker Sarah Geiger said that 24-hour mental health services for inmates with chronic mental illness is a vital need for the inmates and for the community. Reverend Larry Mosley said that God says to turn from our wicked ways.

Discussion/Possible Board Action—American Rescue Plan Act — County projects. Conservation Director Hendrickson said that construction on the Cedar Valley Nature Trail is progressing in stages, and a concern has arisen among his staff about interpretation of the act. He wants the project engineer to design 90% of Phase 2, which would make much of the project shovel-ready, but if there are not sufficient funds to finish the project to the extent of the engineer's plans, the concern is that the engineer's planning fees will no longer be eligible and may conceivably have to be reimbursed. Schwartz said that he understood the rules to mean that expenses for planning for projects that aren't undertaken would be jeopardized, but that a project substantially finished would be safe. He thought it made sense to do the planning now so that the project could be continued, whether by ARPA or other funds.

ANY REPORTS OR INFORMATION FROM THE BOARD. Trelka said that he heard complaints from two citizens about vicious dogs, one that killed chickens and another that bit a complainant, and he wants to look into a county ordinance that would allow the county to take corrective action.
